We would like to thank everyone who supported our Winter Appeal, we are blown away by your generosity after such a difficult year.

Your support will help us make homes for more people in 2021, something we have already been able to start. We hope to open two new properties in the first few months of the year, please keep an eye on our media channels for more news soon.

Highlights

St Margaret's Church opened their doors and allowed us to use their hall as a hub for incoming donations, enabling us to collect more and keep our Food Stop teams safe.

The Framework Knitters donated 20 handmade blankets and over £1200 in support of our work. **Deli Bites Cafe** collected donations and gave 60 care packages for our clients.

Staff found safe ways to run Christmas craft sessions with clients and we were able to welcome a small number of volunteers to help in our kitchens
